

Vanco Mobile Faith Engagement App for Online Giving

Directions: Vanco Mobile is easy to use, secure, and includes new community features that we look forward to using in the future. Get started by following the directions below!

1. Download Vanco Mobile from your app store - a photo of the app icon is pictured for your reference.
2. Login using your previous GivePlus+ credentials. **NOTE: ONLY CREATE A NEW LOGIN IF YOU HAVE NOT PREVIOUSLY GIVEN ONLINE OR VIA GIVEPLUS+ MOBILE.** Creating a new login will create a duplicate giving account if you already have one. If you aren't sure, please contact the church office for verification.
3. Search for our church, which is listed as Faith Lutheran Church, Sarasota. Once located, make sure it's the correct church by confirming the street address, 7750 Beneva Road.
4. Make your offering and select your desired fund and frequency. It's that easy!

Download and start using **Vanco Mobile** today! If you have questions or need help, contact the church office at (941) 924-4664 or officeadmin@faithlutheransrq.com.
